

# The Journey of UCSC's Waste

## Landfill

垃圾填埋场 **basura**

## Recycling

回收 **reciclaje**

## Compost

堆肥 **abono**

### Custodial staff

collects waste from buildings and brings it outside

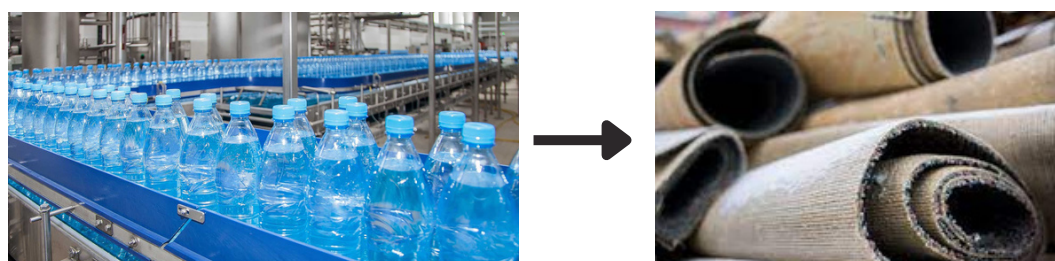

### Grounds staff

consolidates waste and drives to processing facility

Recycling is taken to **ReGen Monterey**, where it is sorted, screened and compacted

Items sold to commodity markets to be made into new products

Organic waste is taken to **ReGen Monterey** and It is placed into long windrows

Eventually, the organic waste turns into soil

Landfill is taken to the **Dimeo Lane Landfill**

Remains in landfill forever
